Grant Luhrs

[C] [G7] [C] [G7]

[C] Bought meself a farm the other [G7] day
Don't [G7] know a bale of wheat from a bag of [C] hay
From a-[C] -cross the fence I heard my neighbour [F] say
[G7] 'What you need now [G7 !] is a [C] cow [C]

[C] Sat beside the shed'n had a [G7] think,
A [G7] big brown cow would give us milk to [C] drink
[C] Butter cream'n maybe even [F] cheese,
[G7] It's gonna be on tap [G7 !] with just a [C] squeeze!

[C] Let's do it, let's get a [G7] cow,
Let's do it, let's get a [C] cow
We got [C] dogs and frogs and chooks and kanga-[F] -roos
[G7] All we need now [G7 !] is a [C] cow [C]

So I [C] asked me Mum just where ya get a [G7] cow,
She said 'Love, ya gotta go into [C] town'
Seemed [C] strange to me I thought they lived on [F] farms
That [G7] daylight saving sure [G7 !] has done some [C] harm!

[C] Let's do it, let's get a [G7] cow,
Let's do it, let's get a [C] cow
We got [C] dogs and frogs and chooks and kanga-[F] -roos
[G7] All we need now [G7 !] is a [C] cow [C] [D] [D]

The [D] very next day I went to get the [A7] cow
[A7] Got in me truck'n headed off to [D] town
The [D] agent said the cattle would be [G] cheap
But [A7] all I could afford [A7 !] was a [D] sheep!

[D] Didn't get it, never got the [A7] cow,
Never got it, didn't get the [D] cow
We got [D] dogs and frogs and chooks and kanga-[G] -roos
Now [A7] all I've got's the cow [A7 !] cocky [D] blues
[A7] Yeah I've got's the cow [A7 !] cocky [D] blues
