

After the Goldrush

Neil Young

[C //] [F //] [C //] [F //]

Well I [C] dreamed I saw the knights in [F] armour coming
Sayin' [C] something about a [F] queen
There where [C] peasants singin' and [G] drummers drummin'
And the [F] archer split the [G] tree

There was a [Am] fanfare blowin' [Bb] to the sun
That was [F] floating on the [Bb] breeze [Bb]
[C] Look at Mother Nature [G] on the run
In the [Bb] twenty-first centu-[F]-ry

[C] Look at Mother Nature [G] on the run
In the [Bb] twenty-first centu-[F]-ry [C //] [F //] [C //] [F //]

I was [C] lying in a burned out [F] basement
With a [C] full moon in my [F] eye
I was [C] hoping for [G] replacement
When the [F] sun burst through the [G] sky

There was a [Am] band playing [Bb] in my head
And I [F] felt like getting [Bb] high [Bb]
I was [C] thinking about what a [G] friend had said
I was [Bb] hoping it was a [F] lie

[C] Thinking about what a [G] friend had said
I was [Bb] hoping it was a [F] lie [C //] [F //] [C //] [F //]

Well I [C] dreamed I saw the silver [F] spaceship flying
In the [C] yellow haze of the [F] sun
There were [C] children crying and [G] colours flying
All a-[F]-round the chosen [G] one

All in a [Am] dream all [Bb] in a dream
The [F] loading had be-[Bb]-gun [Bb]
[C] Flying mother nature's [G] silver seed
To a [Bb] new home in the [F] sun

[C] Flying mother nature's [G] silver seed
To a [F // // //] new home [C >]
