

All I Want Is You

U2

[C] [F] [C] [F]

You [C] say you [F] want
[C] Diamonds on a ring of [F] gold
You [C] say you [F] want
Your [C] story to remain un-[F]-told

But all the [Am] promises we [F] made
From the [Am] cradle to the [F] grave
When [C] all I [F] want is [C] you [F] [C] [F]

You [C] say you'll [F] give me
A [C] highway with no one [F] on it
[C] Treasure just to look up-[F]-on it
All the [C] riches in the [F] night

You [C] say you'll [F] give me
[C] Eyes in a moon of [F] blindness
A [C] river in a time of [F] dryness
A [C] harbour in the [F] tempest

But all the [Am] promises we [F] made
From the [Am] cradle to the [F] grave
When [C] all I [F] want is [C] you [F] [C] [F]

You [C] say you [F] want
Your [C] love to work out [F] right
To [C] last with me through the [F] night

You [C] say you [F] want
[C] Diamonds on a ring of [F] gold
Your [C] story to remain un-[F]-told
Your [C] love to not grow [F] cold

All the [Am] promises we [F] break
From the [Am] cradle to the [F] grave
When [C] all I [F] want is [C] you [F] [C] [F slowing] [C >]
