

# Back at The Brewhouse Again (Lodi) Spark Hill

[G] [D7] [C] [G]

Must be [G] four or five years ago,  
We all [C] set off down this [G] road.  
Not [G] seeking fame nor [Em] fortune,  
Not [C] looking for that Uke of [D7] Gold'  
But [G] we met Jen, and [Em] we found Jane...  
They [C] taught us how to play this [G] tune  
And Oh Lord, we [D] played it at The Brewhouse back [C] then [G]

It was [G] in the Rip Magazine...it [C] said we were on our [G] way,  
[G] Somehow we made con-[Em]-nection..  
Russell [C] found us new songs to [D7] play  
We [G] came to the pub for a [Em] one-night stand;  
[C] Looks like our dreams came [G] true,  
'Cause Oh Lord, we wanna [D] play at The Brewhouse a-[C]-gain. [G]

We [G] tried playing on the beach,  
With sculptured [C] castles in the [G] sand.  
National T. V. [Em] Sunrise...  
Our [C] 'fifteen seconds' 'cross the [D7] land.  
[G] Bandstands, Town Halls, [Em] yacht clubs...  
Wher-[C]-ever we found our [G] friends,  
But we always wanna [D] go back to the Brewhouse a-[C]-gain [G]

[G] If we only had a dollar, for [C] every song we've [G] sung  
And [G] every time that [Em] we behaved,  
And [C] didn't get too [D7] drunk.  
You [G] know we'd hire a [Em] tour bus,  
And [C] travel around the [G] land,  
But un-til then, we wanna [D] play at The Brewhouse a-[C]-gain...[G]

Now the [G] last year has slipped on by  
[C] We've survived the COVID [G] time  
The [G] Sea of Ukes stayed con-[Em]-nected  
Our [C] friendships grew on [D7] line  
We're [G] back together now [Em] with our friends  
We've [C] made the RSL our new [G] home  
But we're not yet... [D] back at The Brewhouse a-[C]-gain. [G]  
No we're not yet... [D] back at The Brewhouse a-[C]-gain. [G >]
