

California Blue

Roy Orbison

[D // // //] [D !]

Working all [D] day and the sun don't [G] shine
Trying to get [A] by and I'm just killing [D] time
I feel the [D] rain fall the whole night [G] through
Far away from [Em] you, [A] California [D] blue

California [G] blue, dreaming all a-[D]-lone
Nothing else to [A7] do, California [D] blue
Everyday I [G] pray I'll be on my [D] way
Saving love for [A7] you, California [D] blue

[G] One [A] sunny [A7] day, I'll get [D] back again
[G] Some[A] how, some[A7] way, but I [D] don't know when
California [A] blue, California [D] blue

Living my [D] life with you on my [G] mind
Thinking of [A] things that I left far be[D] hind
It's been so long, doing all I can [G] do
To get back to [Em] you[A] , California [D] blue

California [G] blue, dreaming all a-[D]-lone
Nothing else to [A7] do, California [D] blue
Everyday I [G] pray I'll be on my [D] way
Saving love for [A7] you, California [D] blue

[G] One [A] sunny [A7] day, I'll get [D] back again
[G] Some[A] how, some[A7] way, but I [D] don't know when
California [A] blue, California [D] blue

Still missing [Em] you, [A] California [D] blue
Still missing [Em] you, [A] California [D] blue
Still missing [Em] you, [A] California [D] blue
