

Cool World

Mondo Rock

[D] [D] [D] Your world is as cold as ice, your world is so nice
But you don't [G] want me a-[D]-round [D]
[Bm] Your world is a barren place, that look upon your face
Says you don't [G] want me a-[D]-round

[D] I might break into your [G] coo-ool [D] world
Break into your [A] coo-ool [D] world
I'll break into your-[G]-our cool, [F#m //] coo-ool, [Em //] coo-ool [D] world [D]

[D] In your world there are no regrets, your goals have all been set
There are no [G] more to be [D] found [D]
[Bm] Your world is so well controlled, you will not be told
You know you [G] don't hear a [D] sound

[D] It might break into your [G] coo-ool [D] world
Break into your [A] coo-ool [D] world
Break into your-[G]-our cool, [F#m //] coo-ool, [Em //] coo-ool [D] world [D]

[Bm] Somewhere way down [Bm] deep inside, [G] passion burned so [G] bright
And walls are [D] shakin'
[Bm] In the tunnel [Bm] deep and wide our [G] two worlds will col-[G]-lide
If I am [D] not mis-[G]-taken

[D] Cool and calm your world may be, but why do you believe
That you don't [G] want me a-[D]-round [D]
[Bm] I can touch you in a way, that you'll cease to say
That you don't [G] want me a-[D]-round [D]

[D] I will break into your [G] coo-ool [D] world
Break into your [A] coo-ool [D] world
I'll break into your-[G]-our cool, [F#m //] coo-ool, [Em //] coo-ool [D] world [D]

[D] I will break into your [G] coo-ool [D] world
Break into your [A] coo-ool [D] world
I'll break into your-[G]-our cool, [F#m //] coo-ool, [Em //] coo-ool [D] world [D]

'Cause your [Bm] so-o-o, your so so [G] coo-ool
It's such a cool-cool [D] world

I'll break into your-[G]-our cool, [F#m //] coo-ool, [Em //] coo-ool [D] world[D]
