[C] In the early morning **[Em]** rain
[Dm] with a **[G7]**dollar in my **[C]**hand
[C] And an aching in my **[Dm]** heart
[G7] and my pockets full of **[C]**sand
      [C] I'm a long ways from **[Dm]** home
      [G7] and I missed my loved one **[C]** so
      [C] In the early morning **[Em]** rain
      [Dm] with no-**[G7]**-o place to **[C]** go

[C] Out on runway number **[Em]** nine
[Dm] big 70**[G7]**7 set to **[C]** go
[C] Well I'm out here on the **[Dm]** grass
[G7] where the pavement never**[C]** grows
      [C] Where the liquor tasted **[Dm]** good
      [G7] and the women all were **[C]** fast
      [C] There she goes my **[Em]** friend
      [Dm] she's **[G7]** rolling out at **[C]** last

[C] Hear the mighty engines **[Em]** roar
[Dm] see the **[G7]** silver bird on **[C]** high
[C] She's away and westward **[Dm]** bound
[G7] far above the clouds she **[C]** flies
      [C] Where the morning rain don't **[Dm]** fall
      [G7] and the sun always **[C]** shines
      [C] She'll be flying over my **[Em]** home
      [Dm] in a-**[G7]**-bout three hours **[C]** time

[C] This old airports got me **[Em]** down
[Dm] it's no **[G7]** earthly good to **[C]** me
[C] Cause I'm stuck here on the **[Dm]** ground
[G7] cold and drunk as I might **[C]** be
      [C] Can't jump a jet **[Dm]** plane
      [G7] like you can a freight **[C]** train
      [C] So I best be on my **[Em]** way
      [Dm] in the **[G7]** early morning **[C]** rain

        [C] So I best be on my **[Em]** way
        [Dm] in the **[G7]** early morning **[C]** rain
        [C] So I best be on my **[Em]** way
        [Dm] in the **[G7]** early morning **[C]** rain **[C]**
