

Fool, Fool, Fool

Ray Brown & the Whispers

[C ! - !!] [C ! - !!]

[C] First I bought, my love a [F] mocking bird,
With the [G7] sweetest voice that I have [C] ever heard,
But she said that, mocking [F] bird won't sing,
If [G7] you love me, go buy a [C] diamond ring,

[C] So I bought my love a [F] diamond ring,
The [G7] brightest ring that any-[C]-one could bring,
But she said that diamond [F] ring won't shine,
If [G7] you love me go get a [C] car this time,

Chorus: [F] Fool, [G7] fool, [C] fool every-[Am] body cried,
[F] fool, [G7] fool, [C] fool, though it [Am] hurt my pride,
[F] fool, [G7] fool, [C] fool, I loved her [Am] so,
I [F] couldn't re-fuse her, I [G7] didn't want to lose her. [G7 / / / / /]

[C] So I bought my love a [F] brand new car,
Took [G7] my last dime out of the [C] savings jar,
But she said this little [F] car wont run,
If [G7] you love me go get a-[C]-nother one,

Repeat Chorus

I [C] tried to steal and here I [F] am in jail,
I've [G7] got no money left to [C] pay my bail,
And every night before the [F] lights go out,
The [G7] prisoners all begin to [C] sing and shout,

Repeat Chorus, then

[F] Fool, [G7] fool, [C] fool every-[Am] body cried,
[F] fool, [G7] fool, [C] fool, though it [Am] hurt my pride,
[F] fool, [G7] fool, [C] fool, I loved her [Am] so,
I [F !] couldn't re-fuse her,
I [G7 !] didn't want to lose her. [G7 / / / / /] [C !]
