

A Hard Rain's a-Gonna Fall Leon Russell/Bob Dylan

[A] [D] [A] [D] [A] [D] [A] [D]

Tell me [A] where have you been, my blue-eyed son?

[A] Where have you been, my [A!] darl-[A!]-ing [A!] young [E7] one?

I've [D] stumbled up on side of [A] twelve misty mountains.

[D] Walked and I've crawled over [A] six crooked highways.

[D] Stepped out in the middle of [A] seven sad forests.

I've [D] been out in front of a [A] dozen dead oceans.

Chorus: And it's [A7] hard, yeah it's [E7] hard, well it's [A7] hard
wo-oh [D] hard, girl, It's a [A] hard rai-ain's [E7] a-gonna [A] fall [D]
[A] [D]

Tell me [A] what did you see, my blue-eyed son?

[A] What did you see my [A!] darl-[A!]-ing [A!] young [E7] one?

I [D] saw a black branch dripping with [A] blood all around it

[D] Saw a room full of men with their [A] hammers a-bleeding.

I [D] saw a white ladder all [A] covered with water.

Saw [D] ten thousand talkers whose [A] tongues were all broken.

Chorus: Well it's [A7] hard, yes it's [E7] hard, yes it's [A7] hard
wo-oh [D], yeah It's a [A] hard rai-ain's [E7] a-gonna [A] fall [D]
[A] [D]

Tell me, [A] what did you hear, my blue-eyed son?

[A] What did you hear, my [A!] darl-[A!]-ing [A!] young [E7] one?

Heard [D] one hundred drummers whose [A] hands that were blazing.

[D] Ten thousand whispering, and [A] no-body listening

I heard [D] one person starve, I heard [A] many people laughing

Heard the [D] song of a poet who [A] died in the gutter.

Chorus: And it's [A7] hard, yes it's [E7] hard, oh it's [A7] hard
wo-oh [D] hard, yeah It's a [A] hard rai-ain's [E7] a-gonna [A] fall [D]
[A] [D]

Well, [A] what'll you do now, my blue-eyed son?

[A] What'll you do now, my [A!] darl-[A!]-ing [A!] young [E7] one?

I'll [D] walk to the depths of the [A] deepest dark forest,

Where the [D] people are many, and their [A] hands are all empty,

Where the [D] pellets of poison are [A] flooding the waters,

But I'll [D] know my song well and I [A] sure won't forget it

Chorus: Cos it's [A7] hard, yes it's [E7] hard, well it's [A7] hard
wo-oh [D] yeah, It's a [A] hard rai-ain's [E7] a-gonna [A] fall [D]

[A] [D] Wa-[A]-hoo Wa-[A]-hoo

Wa-[A fading]-hoo Wa-[A]-hoo [A!]
