

I'm Gonna Knock on Your Door

Eddie Hodges

I'm gonna [C] knock on your door, ring on your bell
Tap on your window [G] too,
If you don't [C] come out tonight when the [F] moon is bright,
I'm gonna [C] knock and ring and [G] tap until you [C] do.

I'm gonna [C] knock on your door, call out your name,
Wake up the town, you'll [G] see.
I'm gonna [C] hoo-hoot and howl like a [F] lovesick owl,
Until you [C] say you're gonna [G] come out with [C] me.

Hey, little [F] girl, this ain't no time to sleep,
[C] Let's count kisses 'stead of countin' sheep,
[F] How, how can I hold you near,
With [D7 !] you up there and [G !] me down here?

I'm gonna [C] knock on your door, ring on your bell
Tap on your window [G] too,
If you don't [C] come out tonight when the [F] moon is bright,
I'm gonna [C] knock and ring and [G] tap until you [C] do.

I'm gonna [C] knock and ring and [G] tap,
and knock and [C] ring and tap
and [G] knock, and ring and [C] tap
and knock and [G] ring until you [C !] do. [C !^!]
