It Ain't Me, Babe   Bob Dylan

[G]   **[C]**   **[G]**   **[G]**

Go **[D]** 'way from my **[C]** window.
[D] Leave at your own chosen **[G]** speed.
I'm **[D]** not the one you **[C]** want, babe.
I'm **[D]** not the one you **[G]** need.
You **[Bm7]** say you're lookin' **[Am7]** for someone
who's never **[Bm7]** weak but always **[Am7]** strong,
To **[Bm7]** protect you an' **[Am]** defend you
whether **[Bm7]** you are right or **[Am]** wrong,
Some-**[C]** one to open each and every **[D]** door.

    But, it ain't **[G]** me, **[C]** babe. **[D]** No, no, no, it ain't **[G]** me babe
    It ain't **[C]** me you're **[D]** lookin' **[G]** for, babe. **[C** / / **]** **[D** / / **]** **[G]**

Go **[D]** lightly from the **[C]** ledge, babe, go **[D]** lightly on the **[G]** ground.
I'm **[D]** not the one you **[C]** want, babe, I will **[D]** only let your **[G]** down.
You **[Bm7]** say you're lookin' **[Am7]** for someone
who will **[Bm7]** promise never to **[Am7]** part,
Some**[Bm7]** -one to close his **[Am7]** eyes for you,
some-**[Bm7]** one to close his **[Am7]** heart,
Some-**[C]** one who will die for you an' **[D]** more.

    But, it ain't **[G]** me, **[C]** babe. **[D]** No, no, no, it ain't **[G]** me babe
    It ain't **[C]** me you're **[D]** lookin' **[G]** for, babe. **[C** / / **]** **[D** / / **]** **[G]**

Go **[D]** melt back in the **[C]** night;
[D] everything inside is made of **[G]** stone.
There's **[D]** nothing in here **[C]** moving an' **[D]** anyway I'm not a-**[G]** lone.
You **[Bm7]** say you're looking **[Am7]** for someone
who'll pick you **[Bm7]** up each time you **[Am7]** fall,
To **[Bm7]** gather flowers **[Am7]** constantly
an' to **[Bm7]** come each time you **[Am7]** call,
A **[C]** lover for you life an' nothing **[D]** more.

    But, it ain't **[G]** me, **[C]** babe. **[D]** No, no, no, it ain't **[G]** me babe
    It ain't **[C]** me you're **[D]** lookin' **[G]** for, babe. **[C** / / **]** **[D** / / **]** **[G]**
    It ain't **[C]** me you're **[D]** lookin' **[G]** for, babe. **[C** / / **]** **[D** / / **]** **[G >]**
