[G7] [G7] [G7] [G7]
[C7] [C7] [G7] [G7]
[D7] [C7] [G7] [D7]

[G7] Go to the station, I [G7] walk the rail yards,
Time-[G7]-table's wallpaper [G7] green
[C7] Late night phone call, I [C7] ring up my girl,
that [G7]Jenny looks just like a [G7]queen
[D7] Cool cat struts by, [C7] gives me the green eye.
[G7] Cat is after my girl. [D7]

[G7] Broken street light, [G7] memory's not right.
[G7] You know I'm desperate for a [G7] change
[C7] School bus last stop, she [C7]wears that tight top,
[G7] I watch my cherry girl par-[G7]ade
[D7] The cat is there again, [C7]she says he's just a friend.
[G7] He wants to give my girl a whirl. [D7]

[Break - not sure about this bit]..... Girl... cherry... queen.....
[C7]'Please understand' I said, [C7]'don't take him to your bed...
[G7]Don't even let him hold you [G7]hand"
[D7]That cat walks by again, [C7] he's got that crazy grin...
[G7]Time for you to make a stand [D7]

[G7]He's on her front porch, [G7]He's like a blow torch
[G7]His face pressed up to the [G7]door
[C7]"Those evil eyes, that grin, [C7]please, don't let him in.
[G7]You must know what he's here [G7]for".
[D7] Tell him to take a hike, [C7] he should get on his bike
[G7] Flames of love should not be fanned [D7]

[G7]Back at the station, I [G7] walk the rail yards,
My [G7]thoughts are making me [G7]scream
[C7]Late night texting, [C7] Midnight meeting,
my [G7]Jenny girl is such a [G7]dream
[D7] Cool cat struts by, [C7] I give him the stink eye
[G7]He wants a piece of my girl. [D7]

[G7] I'm at the station [G7] Something is not right,
[G7]Jenny's nowhere to be [G7]seen
[C7] I try to phone her, but [C7] she won't answer
[G7]I'm thinking things ob-[G7]-scene
[D7]Cool cat cruises by, [C7] Jenny waves me bye-bye
That [G7] cat has taken my girl. [D7] [G 7 !]
