

Intro: *I [G] dreamed I saw Joe [G] Hill last night,
A-[C]-live as you and [G] me,*

I [G] dreamed I saw Joe [G] Hill last night,
A-[C]-live as you and [G] me,
Says [C] I to Joe your [G] ten years dead,
I [A] never died says [D] he,
I [D7] never died says [G] he,

The [G] copper bosses shot you Joe
They [C] shot you, Joe, says [G] I
Takes [C] more than guns to [G] kill a man
Says [A] Joe I didn't [D] die
Says [D7] Joe I didn't [G] die

And [G] standing there as big as life,
And [C] smiling with his [G] eyes,
Joe says what [C] they can never [G] kill,
Went [A] on to organ-[D]-ise,
Went [D7] on to organ-[G]-ise.

From [G] San Diego up to Maine,
In [C] every mine and [G] mill,
Where [C] workers stand up for their [G] rights
It's [A] there you'll find Joe [D] Hill
It's [D7] there you'll find Joe [G] Hill

I [G] dreamed I saw Joe Hill last night,
A-[C]-live as you and [G] me,
Says [C] I to Joe your [G] ten years dead,
I [A] never died says [D] he,
I [D7] never died says [G] he
