INTRO 4/4 Time: [C] [C] [F] [C]

[C] Lately I've found When I [F] start to think a-[C]-loud
There's a [F] longing in the [Am] sound
There is [F] more I could [C] be
In [C] darkness I leave For a [F] place I've never [C] seen
It's been [F] calling out to [Am] me
That is [F] where I should [C] be [C]

Pre Chorus: [Am] We never carried [C] days on our own
[Am] But now it's up to [C] us to know
[Am] The weight of being [F] so much [C] more
We will [F] find our-[C]-selves on the [Dm] road [Dm]

Chorus:

[C] On we march With a [F] midnight [C] song
We will [F] light our [Am] way With our [F] lanterns [C] on
[C] On we march Till we [F] meet the [C] dawn
We will [F] light our [Am] way With our [F] lanterns [C] on [C]

[C] As we walk out Without [F] question, without [C] doubt
In the [F] light that we have [Am] found
It is [F] finally [C] clear
[C] Our day has come And we'll [F] stand for who we [C] are
We are [F] ready, we are [Am] young
We have [F] nothing to [C] fear [C]

Repeat Pre Chorus

Repeat Chorus

We held the [F] light	To our [Dm] faces
And real-[F]-ised	We were [Dm] chasing
Shadows be-[F]-hind	Not worth [Bb] saving
So burn it [Dm] bright	Forever [Dm] illuminating

Repeat Chorus

Repeat Chorus

In [C] darkness I leave
For a [F] place I've never [C] seen
It's been [F] calling out to [Am] me
That is [F] where I should [C >] be
