

Lay Down (Candles in the Rain)

Melanie

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown.

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown.

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [Em] frown [Em]

We were [D] so close, there was no [Em] room,
We bled in-[D] side each others [Em] wounds.
We all had [D] caught the same di-[Em]-sease,
And we all [D] sang the songs of [Em] peace. [Em]

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up
at the [F] ones who stand and [Em //] frown [Em]

So [D] rai-ai-[A]-aise the candles [Em] high,
'cause if you [G] don't, we could stay [D] black a-[Am]-gainst the [Em] night.
Oh, [D] raise them [A] higher a-[Em]-gain,
And if you [G] do, we could stay [D] dry a-[Am]-gainst the [Em] rain.

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown.

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [Em] frown. [Em]

We were [D] so close, there was no [Em] room,
We bled in-[D] side each others [Em] wounds.
We all had [D] caught the same di-[Em]-sease,
And we all [D] sang the songs of [Em] peace.

Some [D] came to sing, some [Em] came to pray
Some [D] came to keep the [Em] dark away.

So [D] raise [A] the candles [Em] high,
'cause if you [G] don't, we could stay [D] black a-[Am]-gainst the [Em] night.
Oh, [D] raise them [A] higher a-[Em]-gain,
And if you [G] do, we could stay [D] dry a-[Am]-gainst the [Em] rain.

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown

[G] Lay down, [D] lay down, [F] lay it all [G] down,
Let your [G] white birds [D] smile up at the [F] ones who stand and [G] frown. [G >]
