

[C] [G] [D] [C] [G]

Oh when [C] darkness over comes us
 And we [G] cannot find our way
 Al-[D]-though we keep on searching
 [C] For the light of [G] day
 And we [C] hear the children crying
 And we [G] don't know what to do
 Gotta [D] hold onto each other
 And [C] love will see us [G] through

Chorus:

Let love [Em] rule Let it [C] guide us through the [G] night
 That [Em] we may stay to-[C]-gether And [D] keep our spirits calm
 Only [G] tru-[Em]-uth Will [C] shine the morning [G] light
 'Cause [Em] love's the only [C] thing
 That will [D] keep us safe from [G] harm

Oh, I [C] cover up my ears
 [G] So I cannot hear
 The [D] voices of hate
 And the [C] voices of [G] fear
 And I [C] cover up my eyes
 [G] So I cannot see
 What [D] happened to this country
 That [C] used to be [G] free

Repeat Chorus

Oh, you [C] know I love this country
 Every [G] rock and every tree
 The [Am] grass lands and the deserts
 The [C] rivers and the [G] sea
 Well you [Em] know I love the people
 Wher-[C] -ever they are [G] from
 [Am] Yes, I love all the people
 Who [C] call this land their [G] home

Let love [Em] rule Let it [C] guide us through the [G] night
 That [Em] we may stay to-[C]-gether And [D] keep our spirits calm
 Only [G] tru-[Em]-uth Will [C] shine the morning [G] light
 'Cause [Em] love's the only [C] thing
 That will [D] keep us safe from [G] harm [G] [Repeat Chorus ending G >]
