the temp-[F] tation of her tender [Am !]red [F] lips.

But you can get [C] hurt, hur-hur-[Am] hurt.

Fooling a-[F] round, (fooling a-[G7 !] round) with that little town [C] flirt.

Here she [C] comes, (here she comes)
with that look in her [Am] eye, (here she comes)
She plays a-[F] round, with every guy that goes [G] by-y-y-y-

so your [F] heart just had better [Am !] be [F] strong,

[F] I know how hard you feel
[C] You think her love is real.
[F] You think this [G] time she'll be sin[C] c-e- re. [Am]
But you'll [E7] think you got a paper heart,
when she [F] starts to tear it apart.
[D] That's when she'll let you [G] go...[G7] (whoa-whoa-whoa)

Here she [C] comes, (here she comes)
Just look at that [Am] style. (here she comes)
She's looking at [F] you, giving you that [G] smi-i-i-ile.
But I [E7] know she's gonna treat you [F] wrong,
so your [F] heart just had better [Am !] be [F] strong.

Cause you can get [C] hurt, hur-hur-[Am] hurt.
Yeah, you can get [C] hur, hur, hur, hur, [Am] hurt..
Fooling a-[F] round, (fooling a-[G7 !] round) with that little town [C] flirt.

You [Am] better pass her by now, [C] yeah,
You [Am] better run away now, [C] yeah [C !]
