[C] You and me [F] sittin' in the back of my [C] memory

[G] Radio's on [F] windows rolled up and my [C] mind's rolled down
[G] Headlights shining like [F] silver moons rollin' [C] on the ground

[C] We made love in [F] every way love [C] can be made
[C] And we made time, [F] look like time could [C] never fade
[G] Friday night, [F] we both made the [C] guitar hum
[G] Saturday made [F] Sunday feel like it would [G] never come

Gonna be a [C strum] lo-o-o-ong Monday
[F] Sittin' all alone on a mountain by a river that [C] has no end
[C] Gonna be a lo-o-o-ong Monday
[G] Stuck like the tick of a clock
That's come un-[F ////]-wound a-[C]-gain

[C] Soul to soul [F] heart to heart and [C] cheek to cheek
[C] Come on baby [F] give me a kiss that'll [C] last all week
The [G] thought of you [F] leavin' again [C] brings me down
The [G] promise of [F] your sweet love brings [G] me around
