

# Nearly Forgot My Broken Heart

Chris Cornell

**Intro:** [Dm //// ] [G //// ] [Dm ///- ]

Everytime I [Dm]stare in-[G]to the [Dm]sun  
Try to find a [G]reason [F]to go [A]on  
[Dm] All I ever get is [G]burned and [Dm]blind  
Un-[G]til the [F]sky bleeds the [G]pouring [A]ra-ain

When you came a-[Dm]long the [G]time was [Dm]right  
Pulled me like an apple [G]red and [F]ripe [A]  
[A]Wasn't very [Dm]long you [G]took a [Dm]bite  
And [G]did me [F]wrong -and it [G]serves me [A]ri-ight

I [Dm]nearly for-[A]got my [F]broken [G]heart  
It's [Dm]taken me [G]miles a-[F]way [A]  
From the [Dm]memory of [A]how we [F]broke a-[G]part  
[Dm]Here we go [A]round a-[Dm]gain

Every little [Dm]key un-[G]locks the [Dm]door  
Every little secret [G]has a [F]lie [A]  
[A]Try to take a [Dm]picture [G]of the [Dm]sun  
And [G]it wont [F]help you to [G]see the [A]light

Every little [Dm]word u-[G]pon your [Dm]lips  
Makes a little [Dm]cut where [G]blood pours [F]out [A]  
[A]Every little [Dm]drop of [G]blood I [Dm]kiss  
That [G]I won't [F]miss -not for [G]anythi-[A]ing

I [Dm]nearly for-[A]got my [F]broken [G]heart  
It's [Dm]taken me [G]miles a-[F]way [A]  
From the [Dm]memory of [A]how we [F]broke a-[G]part  
[Dm]Here we go [A]round a-[Dm]gain

Every single [F]feeling tells me this is [G]leading  
To a [A]heart... [C] in broken little [F]pieces  
And you know I [G]need this  
Like a [Dm]hole in the [C]head [Dm] [C] [Dm] [C]

I [Dm]nearly for-[A]got my [F]broken [G]heart  
It's [Dm]taken me [G]miles a-[F]way [A]  
From the [Dm]memory of [A]how we [F]broke a-[G]part  
[Dm]Here we go [A]round a-[Dm]gain
