

[G] [C]

[G] North to Alaska, they're going [D] north, the rush is [G] on [G]

Big Sam left Seattle in the [D] year of Ninety-[G]-Two  
 With [C] George Pratt, his partner and brother Billy [G] too  
 They [C] crossed the Yukon river, and found the bonanza [G] gold,  
 Beneath that old white mountain, Just a [D] little south-east of [G] Nome

Sam crossed the majestic mountains to the [D] valleys far be-[G]-low  
 He [C] talked to his team of huskies,  
 as they mushed on through the [G] snow  
 With the [C] Northern Lights a-runnin' wild  
 in the land of the midnight [G] sun,  
 Yes, Sam McCord was a mighty man in the [D] year of nineteen [G] one.

And where the river is windin',  
 Big [C] nuggets they're findin'.

[G] North to Alaska, they're going [D] north, the rush is [G] on  
 Way up North, Way up [D] North

[G] North to Alaska, they're going [D] north, the rush is [G] on

[G] North to Alaska, they're going [D] north, the rush is [G] on [G]

[G] George turned to Sam, with his [D] gold in his [G] hand  
 Said [C] "Sam, you're lookin' at a lonely, lonely [G] man"  
 I'd [C] trade all the gold... that's buried in this [G] land,  
 For one small band of gold to place on....[D] sweet little Jenny's [G] hand.  
 'Cause a man needs a woman... to [D] love him all the [G] time  
 You [C] know Sam, a true love... is so hard to [G] find  
 I'd [C] build for my Jenny... a honeymoon [G] home,  
 Beneath that old white mountain, just a [D] little south-east of [G] Nome.

Where the river is windin',  
 Big [C] nuggets they're findin'.

[G] North to Alaska, they're going [D] north, the rush is [G] on  
 Way up North, Way up [D] North

[G] North to Alaska, they're going [D] north, the rush is [G] on

[G] North to Alaska, they're going [D] north, the rush is [G] on

Way up North, Way up [D] North

Way up [G] North, Way up [D] North

**Don't sing**

[G] North to Alaska, they're going [D] north, the rush is [G] on [G!]
