Be-[Am]-fore we were born, song was [Dm] there  
She [E7]pulled us from the womb for us she [Am] cared  
And [Am] whispered in our ears life's myster-[Dm]-y  
And when we [E7] die she surely will be [Am] there. [E7]

[Am] Song says "Oh please use me, you're my [Dm] voice, you're my hands  
[E7] Fashion me into a melo-[Am]-dy. [E7]  
That [Am] tells the human story, it's [Dm] misery and glory  
Don't be [E7] silent, that would be a trage-[Am]-dy!" [E7]

Sing for [Am] no one, sing for every-[Dm]-one  
[E7] Sing for we are servants of the [Am] song [E7]  
[Am] Sing for being together, [Dm] never mind the weather  
Sing for [E7] no one, sing for every[Am] one! [E7]

Our in-[Am]-struments the weapons of our [Dm] choice  
[E7] To disarm oppression with our [Am] voice[E7]  
Though we [Am] make an orphans choir we [Dm] set all hearts on fire  
And [E7] angels weep as we do re-[Am]-joice. [E7]

Sing for [Am] no one, sing for every-[Dm]-one  
[E7] Sing for we are servants of the [Am] song [E7]  
[Am] Sing for being together, [Dm] never mind the weather  
Sing for [E7] no one sing, for every[Am] one! [E7]

We [Am] cry because there's evil in this [Dm] world  
[E7] Watch the oyster as her art un-[Am]-furls. [E7]  
Why [Am] not turn your sorrow in-[Dm] -to a song tomorrow  
And [E7] let your tears become a string of [Am] pearls [E7]

Sing for [Am] no one,sing for every-[Dm]-one  
[E7] Sing for we are servants of the [Am] song [E7]  
[Am] Sing for being together, [Dm] never mind the weather  
Sing for [E7] no one, sing for every[Am] one! [E7]

Sing for [Am] no one, sing for every-[Dm]-one  
[E7] Sing for we are servants of the [Am] song [E7]  
[Am] Sing for being together, [Dm] never mind the weather  
Sing for [E7] no one, sing for every[Am] one! [E7]

Sing for [E7] no one, sing for every-[Am]-one! [E7]
