

Today I Started Loving You Again

Merle Haggard

[D] [A7] [D]

To-[D]-day I started [G] loving you a-[D]-gain.
I'm [D] right back where I've [G] really always [D] been.
I got [D] over you just [D7] long enough
to [G] let my heartache [D] mend.
Then, to-[D]-day I started [A7] loving you a-[D]-gain.

What a [D] fool I was to [G] think I could get [D] by
With [D] only these few [G] million tears I [A7] cried
I [D] should have known the [G] worst was yet to [D] come
And that [D] cryin' time for [A7] me had just be-[D] -gun.

Because to-[D]-day I started [G] loving you a-[D]-gain.
I'm [D] right back where I've [G] really always [D] been.
I got [D] over you just [D7] long enough
to [G] let my heartache [D] mend.
Then, to-[D]-day I started [A7] loving you a-[D]-gain.

Yes, to-[D]-day I started [G] loving you a-[D]-gain.
I'm [D] right back where I've [G] really always [D] been.
I got [D] over you just [D7] long enough
to [G] let my heartache [D] mend.
Then, to-[D]-day
I started [A7 !] loving you [hold] a-[D]-gain.[G] [D !]
