Tom Petty

[D] [D]

[D] Some days are diamonds  
[G] Some doors are open  
[D] Sundowns are golden  
[G] If I never do nothing

[Bm] Some days are rocks  
[A] Some roads are blocked  
[Bm] Then fade away  
[A] I'll get you back some day [A !]

Cause you got a [G] heart so [D] big      It could [G] crush this [D] town  
And I can't [Em] hold out for-[Bm] ever      Even [A] walls fall [D] down [D]

[D] All around your island  
[G] Keeps out the danger  
[D] Sometimes you're happy  
[G] Half of me is ocean

[Bm] There's a barricade  
[A] It holds in the pain  
[Bm] Sometimes you cry  
[A] Half of me is sky [A !]

Cause you got a [G] heart so [D] big      It could [G] crush this [D] town  
And I can't [Em] hold out for-[Bm] ever      Even [A] walls fall [D] down [D]

## Instrumental:

[D] Some days are diamonds      [Bm] Some days are rocks  
[G] Some doors are open      [A] Some roads are blocked

[D softly] Some things are over  
[Bm] Some things go on  
[G] Part of me you carry  
[A fast 2x downstrums ] Part of me is gone [A !]

You got a [G] heart so [D] big      It could [G] crush this [D] town  
And I can't [Em] hold out for-[Bm] ever      Even [A] walls fall [D] down

You got a [D ! then tapping] heart so big      It could crush this town
