

*Intro: He [D] does not [A] sail with [F#m] me
He [E7] sleeps on the bottom of the [A] sea*

Oh [A] captain [E7] tell me [A] true
Does my [D] sailor sail with [A] you
No he [D] does not [A] sail with [F#m] me
He [E7] sleeps on the bottom of the [A] sea

[A] What did the [E7] deep sea [A] say
Tell me, [D] what did the deep sea [A] say
It [D] moaned and groaned
And it [A] splashed and it [F#m] foamed
And it [E7] rolled on its weary [A] way

He [A] promised he'd [E7] write to [A] me
His [D] promise he never kept [A] true
Never a [D] word from my [A] sailor have I [F#m] heard
Since he [E7] sailed on that ocean [A] blue

[A] What did the [E7] deep sea [A] say
Tell me, [D] what did the deep sea [A] say
It [D] moaned and groaned
And it [A] splashed and it [F#m] foamed
And it [E7] rolled on its weary [A] way

Well a [A] beautiful [E7] rose every [A] day
I [D] placed on the crest of the [A] waves
I said [D] "Take it please and [A] let the petals [F#m] fall
U-[E7]-pon his watery [A] grave"

[A] What did the [E7] deep sea [A] say
Tell me, [D] what did the deep sea [A] say
It [D] moaned and groaned
And it [A] splashed and it [F#m] foamed
And it [E7] rolled on its weary [A] way

[A >] What did the [E7 >] deep sea [A >] say
Tell me, [D >] what did the deep sea [A >] say
It [D >] moaned and [D >] groaned
And it [A >] splashed and it [F#m >] foamed
And it [E7 picking slow] rolled on its weary [A >] way
