

# Whiskey In The Jar

Trad

[C //] [Am //] [C //] [Am //]

{ALL} [C] As I was going over the [Am] Kilgary Mountains,  
I [F] met with Captain Farrell, and his [C] money he was countin',  
[C] first I drew me pistol, and [Am] than I drew me rapier,  
Sayin': [F] "Stand and deliver for I [C] am your bold deceiver"

**Chorus:** Musha [G7] ringum doorum da,  
[C] Whack fol the daddy o,  
[F] Whack fol the daddy o

There's [C !] whiskey [G7 !] in the [C //] jar. [Am //] [C //] [Am //]

{GROUP 1} I [C] counted out his money and it [Am] made a pretty penny,  
I [F] put it in my pocket, for to [C] take to darlin' Jenny,  
She [C] sighed, and she swore that she [Am] never would she leave me,  
But the [F] devil take the women for they [C] always lie so easy

## Repeat Chorus

{GROUP 2} I [C] went into my chamber a-[Am]-fore to take some slumber,  
I [F] dreamt of gold and jewels and of [C] course it was no wonder,  
My [C] Jenny drew my charges and she [Am] filled them out with water,  
Then [F] sent for Captain Farrell, to get [C] ready for the slaughter.

## Repeat Chorus

{GROUP 3} 'Twas [C] early in the morning, be-[Am]-fore I rose to travel,  
Up [F] comes a band of footmen and [C] likewise, Captain Farrell,  
[C] First I drew me pistol for she [Am] stole away me rapier,  
But a [F] prisoner I was taken, I [C] could not shoot the water

## Repeat Chorus

{GROUP 4} I'd [C] like to find me brother, the [Am] one that's in the army,  
I [F] don't know where he's stationed, in [C] Cork or in Killarney,  
If [C] he'll come and save me we'll go [Am] roving in Kilkenny,  
And I'm [F] sure he'll treat me better than me [C] darlin' sportin' Jenny.

## Repeat Chorus

{ALL}

Now [C softer] some men take delight in the [Am] drinking and the roving,  
But [F] others take delight in the [C] gambling and the smoking.  
But [C louder] I take delight in the [Am] juice of the barley,  
And [F] courting pretty maidens in the [C] morning oh so early

**Repeat Chorus** with last line There's [C !] whiskey [G7 !] in the [C //] jar  
then straight into **Repeat Chorus**

with last line There's [C ! slowing] whiskey [G7 !] in the [C <>] jar
